Introduction

On December 23, 2004, President George W. Bush signed the Federal Employee Dental and Vision Benefits Enhancement Act of 2004 (Public Law 108-496). The law directed the Office of Personnel Management (OPM) to establish supplemental dental and vision benefit programs to be made available to Federal employees, annuitants, and their eligible family members. In response to the legislation, OPM established the Federal Employees Dental and Vision Insurance Program (FEDVIP). OPM has contracted with dental and vision insurers to offer an array of choices to Federal employees and annuitants. Section 715 of the National Defense Authorization Act for Fiscal Year 2017 (FY 2017 NDAA), Public Law 114-38, expanded FEDVIP eligibility to certain TRICARE-eligible individuals.

This brochure describes the benefits of Advantage under Dominion Dental Services contract OPM01-FEDVIP-01AP-4 with OPM, as authorized by the FEDVIP law. The address for our administrative office is:

You and your family members do not have a right to benefits that were available before January 1, 2019 unless those benefits are also shown in this brochure.

If you are enrolled in this plan, you are entitled to the benefits described in this brochure. If you are enrolled in Self and Family coverage, each of your eligible family members is also entitled to these benefits, if they are also listed on the coverage.

OPM negotiates benefits and rates with each carrier annually. Rates are shown at the end of this brochure.

Nomination forms are available on our website at FederalDentalPlans.com or call us and we will have a form sent to you. You cannot change plans, outside of Open Season, because of changes to the provider network.

You do not need to re-enroll each Open Season unless you wish to change plans or plan options; your coverage will continue from the previous year. In addition to the annual Open Season, there are certain events that allow you to make specific types of enrollment changes throughout the year. Please see Section 2, Enrollment for more information.
Continued Group Coverage After Retirement	Your enrollment or your eligibility to enroll may continue after retirement. Section 2 Enrollment

Enroll Through BENEFEDES

You must use BENEFEDES to enroll or change enrollment in a FEDVIP plan. BENEFEDES is a secure enrollment website (www.BENEFEDES.com) sponsored by OPM. If you do not have access to a computer, call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to enroll or change your enrollment.

If you are currently enrolled in FEDVIP and do not want to change plans your enrollment will continue automatically. Please Note: your plans' premiums may change for 2019.

Note: You cannot enroll or change enrollment in a FEDVIP plan using the Health Benefits Election Form (SF 2809) or through an agency self-service system, such as Employee Express, PostalEase, EBIS, MyPay, or Employee Personal Page. However, those sites may provide a link to BENEFEDES.

Enrollment Types

Self Only: A Self Only enrollment covers only you as the enrolled employee or annuitant. You may choose a Self Only enrollment even though you have a family; however, your family members will not be covered under FEDVIP.

Self Plus One: A Self Plus One enrollment covers you as the enrolled employee or annuitant plus one eligible family member whom you specify. You may choose a Self Plus One enrollment even though you have additional eligible family members, but the additional family members will not be covered under FEDVIP.

Self and Family: A Self and Family enrollment covers you as the enrolled employee or annuitant and all of your eligible family members. You must list all eligible family members when enrolling.

Dual Enrollment

If you or one of your family members is enrolled in or covered by one FEDVIP plan, that person cannot be enrolled in or covered as a family member by another FEDVIP plan offering the same type of coverage; i.e., you (or covered family members) cannot be covered by two FEDVIP dental plans or two FEDVIP vision plans.

Opportunities to Enroll or Change Enrollment

Open Season

If you are an eligible employee, annuitant, or TRICARE-eligible individual, you may enroll in a dental and/or vision plan during the November 12, through midnight EST December 10, 2018, Open Season. Coverage is effective January 1, 2019.

During future annual Open Seasons, you may enroll in a plan, or change or cancel your dental and/or vision coverage. The effective date of these Open Season enrollments and changes will be set by OPM. **If you want to continue your current enrollment, do nothing. Your enrollment carries over from year to year, unless you change it.**

New hire/Newly eligible

You may enroll within 60 days after you become eligible as:

- a new employee;
- a previously ineligible employee who transferred to a covered position;
- a survivor annuitant if not already covered under FEDVIP; or
- an employee returning to service following a break in service of at least 31 days.
- a TRICARE-eligible individual

Your enrollment will be effective the first day of the pay period following the one in which BENEFEDES receives and confirms your enrollment.

***Qualifying Life
Event***

A qualifying life event (QLE) is an event that allows you to enroll, or if you are already enrolled, allows you to change your enrollment outside of an Open Season.

The following chart lists the QLEs and the enrollment actions you may take.

Qualifying Life Event	From Not Enrolled to Enrolled	Increase Enrollment Type	Decrease Enrollment Type	Cancel	Change from One Plan to Another
Marriage	Yes	Yes	No	No	Yes
Acquiring an eligible family member (non-spouse)	No	Yes	No	No	No
Losing a covered family member	No	No	Yes	No	No
Losing other dental/vision coverage (eligible or covered person)	Yes	Yes	No	No	No
Moving out of regional plan's service area	No	No	No	No	Yes
Going on active military duty, non-paystatus (enrollee or spouse)	No	No	No	Yes	No

Qualifying Life Event	From Not Enrolled to Enrolled	Increase Enrollment Type	Decrease Enrollment Type	Cancel	Change from One Plan to Another
Returning to pay status from active military duty (enrollee or spouse)	Yes	No	No	No	No
Returning to pay status from Leave without pay	Yes (if first time enrollment or cancelled during LWOP)	No	No	No	Yes (if enrollment cancelled during LWOP)
Annuity/compensation restored	Yes	Yes	Yes	No	No
Transferring to an eligible position*	No	No	No	Yes	No

*Position must be in a Federal agency that provides dental and/or vision coverage with 50 percent or more employer-paid premium and you elect to enroll.

The timeframe for requesting a QLE change is from 31 days before to 60 days after the event. There are two exceptions:

- There is no time limit for a change based on moving from a regional plan’s service area; and
- You cannot request a new enrollment based on a QLE before the QLE occurs, except for enrollment because of a loss of dental or vision insurance. You must make the change no later than 60 days after the event.

Generally, enrollments and enrollment changes made based on a QLE are effective on the first day of the pay period following the one in which BENEFEDS receives the enrollment or change. BENEFEDS will send you confirmation of your new coverage effective date.

Once you enroll in a plan, your 60-day window for that type of plan ends, even if 60 calendar days have not yet elapsed. That means once you have enrolled in either plan, you cannot change or cancel that particular enrollment until the next Open Season, unless you experience a QLE that allows such a change or cancellation.

Cancelling an enrollment

You may cancel your enrollment only during the annual Open Season. An eligible family member’s coverage also ends upon the effective date of the cancellation.

Your cancellation is effective at the end of the day before the date OPM sets as the Open Season effective date.

When Coverage Stops

Coverage ends for active and retired Federal, U.S. Postal employees, and TRICARE-eligible individuals when you:

- no longer meet the definition of an eligible employee, annuitant, or TRICARE-eligible individual;
- as a Retired Reservist you begin active duty;
- as sponsor or primary enrollee leaves active duty
- begin a period of non-pay status or pay that is insufficient to have your FEDVIP premiums withheld and you do not make direct premium payments to BENEFEDS;
- are making direct premium payments to BENEFEDS and you stop making the payments;
- cancel the enrollment during Open Season;
- a Retired Reservist begins active duty; or
- the sponsor or primary enrollee leaves active duty.

Coverage for a family member ends when:

- you as the enrollee lose coverage; or
- the family member no longer meets the definition of an eligible family member.

Continuation of Coverage

Under FEDVIP, there is no 31-day extension of coverage. The following are also NOT available under FEDVIP plans:

- Temporary Continuation of Coverage (TCC);
- spouse equity coverage; or
- right to convert to an individual policy (conversion policy).

FSAFEDS/High Deductible Health Plans and FEDVIP

If you are planning to enroll in an FSAFEDS Health Care Flexible Spending Account (HCFA) or Limited Expense Health Care Flexible Spending Account (LEX HCFA), you should consider how coverage under a FEDVIP plan will affect your annual expenses, and thus the amount that you should allot to an FSAFEDS account. Please note that insurance premiums are not eligible expenses for either type of FSA.

If you have an HCFA or LEX HCFA FSAFEDS account and you haven't exhausted your funds by December 31st of the plan year, FSAFEDS can automatically carry over up to \$500 of unspent funds into another health care or limited expense account for the subsequent year. To be eligible for carryover, you must be employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31. You must also actively reenroll in a health care or limited expense account during the NEXT Open Season to be carryover eligible. Your reenrollment must be for at least the minimum of \$100. If you do not reenroll, or if you are not employed by an agency that participates in FSAFEDS and actively making allotments from your pay through December 31st, your funds will not be carried over.

Because of the tax benefits an FSA provides, the IRS requires that you forfeit any money for which you did not incur an eligible expense and file a claim in the time period permitted. This is known as the "Use-it-or-Lose-it" rule. Carefully consider the amount you will elect.

For a health care or limited expense account, each participant must contribute a minimum of \$100 to a maximum of \$2,650.

Current FSAFEDS participants must re-enroll to participate next year. See www.fsafeds.com or call 1-877-FSAFEDS (372-3337) or TTY: 1-866-353-8058. **Note: FSAFEDS is not open to retired employees, or to TRICARE eligible individuals.**

If you enroll or are enrolled in a high deductible health plan with a health savings account (HSA) or health reimbursement arrangement (HRA), you can use your HSA or HRA to pay for qualified dental/vision costs not covered by your FEHB and FEDVIP plans.

You will be required to submit your claims on behalf of the Dominion Dental Services, Inc. plan to the FSAFEDS Health Care Flexible Spending Account (HCFSA) or Limited Expense Health Care Flexible Spending Account (LEX HCFSA) to claim reimbursement.

Section 3 How You Obtain Care

Identification Cards/ Enrollment Confirmation	<p>We will send you an identification (ID) card when you enroll. You should carry your ID card with you at all times. You should present your ID card whenever you receive services from an assigned plan provider.</p> <p>If you do not receive your ID card within 30 days after the effective date of your enrollment or if you need replacement cards, you may request one through our website at FederalDentalPlans.com or call us at 855-836-6337.</p>
Where You Get Covered Care	<p>You must choose a primary care dentist before you utilize the plan. Prior to your effective date, you will receive a notification prompting you to select a dentist. You can find a current list of dentists online at FederalDentalPlans.com. You can also call us at 855-836-6337 to request that a list be mailed to you. After your effective date, simply call the dental office you selected and make an appointment. Except for out-of-area emergency care, you must receive treatment at the dental office you selected.</p>
Plan Providers	<p>A complete list of participating dentists are available on our online provider search at FederalDentalPlans.com. The list is refreshed every night.</p>
In-Network	<p>You must receive services from your selected participating general dentist. If specialty services are necessary, a referral will be provided by your participating general dentist. An orthodontist can be selected for orthodontia services without a referral.</p>
Out-of-Network	<p>There are no out-of-network benefits available except for emergency care.</p>
Emergency Services	<p>If you have an emergency outside of the service area, visit any licensed dentist for care. We will reimburse you for emergency services up to \$100 per member per year.</p>
FEHB First Payor	<p>When you visit a provider who participates with both, your FEHB plan and your FEDVIP plan, the FEHB plan will pay benefits first. The FEDVIP plan allowance will be the prevailing charge, in these cases. You are responsible for the difference between the FEHB and FEDVIP benefit payments and the FEDVIP plan allowance. We are responsible for facilitating the process with the primary FEHB first payor. You can assist with this process and also ensure that you are receiving the maximum allowable benefit under each program by presenting both your FEDVIP and FEHB ID cards at the time of your dental appointment. The dentist should include both ID numbers when submitting the claim to the plans.</p> <p>It is important to bring your FEDVIP and FEHB identification cards to every dental appointment because most FEHB plans offer some level of dental benefits separate from your FEDVIP coverage. Presenting both identification cards can ensure that you receive the maximum allowable benefit under each Program.</p>
Coordination of Benefits	<p>We will coordinate benefit payments with the payment of benefits under other group health benefits coverage you may have and the payment of dental costs under no-fault insurance that pays benefits without regard to fault.</p> <p>We may request that you verify/identify your health insurance plan(s) annually or at time of service.</p>
Service Area	<p>To enroll in this plan, you must live in our service area. This is where our providers practice. Our service area is: District of Columbia, Delaware, Maryland, Pennsylvania and parts of Virginia and parts of New Jersey.</p>

Ordinarily, you must get your care from providers within the service area who contract with us. If you receive care outside our service area, we will pay only for emergency care benefits. An emergency is treatment due to injury, accident or severe pain requiring the services of a dentist which occurs under circumstances where it is neither medically or physically possible for you to be treated by a plan provider. We will not pay for any other services out of our service area unless the services have prior plan approval.

If you move outside of our service area, you may enroll in another plan at that time. You do not have to wait until Open Season to change plans. Contact BENEFEDS at www.benefeds.com or call 1-877-888-FEDS (1-877-888-3337), TTY number 1-877-889-5680 to change plans.

Rating Areas

Your rates are determined based on where you live. This is called a rating area. If you move, you must update your address through BENEFEDS. Your rates might change because of the move.

Limited Access Areas

If you live in a limited access area and you receive covered services from an out-of-network provider, we will pay in accordance with our plan allowance. You are responsible for any difference between the amount billed and our payment. You can find a list of our limited access areas at FederalDentalPlans.com or by contacting us at 855-836-6337.

Alternate Benefit

There are no alternate benefits associated with this plan. The copayment for each listed procedure you receive is the total amount you will owe the dentist.

Section 4 Your Cost for Covered Services

This is what you will pay out-of-pocket for covered care:

Co-payment A co-payment is a fixed amount of money you pay directly to the dentist when you receive covered services. Your benefit schedule lists the co-payments for each covered procedure. There is also a \$10 office visit copay in addition to the listed charge per office visit, not per procedure.

Example: In our Standard Plan, you pay \$48 for an amalgam – one surface, primary or permanent (ADA Code D2140).

Annual Benefit Maximum There is no annual benefit maximum limit under this plan.

Lifetime Benefit Maximum There is no lifetime benefit maximum limit under this plan.

In-Network Services The co-payment amounts listed in the benefit schedule along with the \$10 office visit copay represent your total cost for in-network services (please note that the office visit copay is charged per visit, not per procedure).

Out-of-Network Services Benefits under your plan must be received through in-network dentists. There is no coverage for services rendered by an out-of-network provider except for out-of-network emergency services.

Emergency Services An emergency is treatment due to injury, accident or severe pain requiring the services of a dentist which occurs under circumstances where it is neither medically or physically possible for you to be treated by a plan provider. We will not pay for any other services out of our service area unless the services have prior plan approval. We will reimburse you up to \$100 per member per year. When traveling overseas, we will authorize emergency services only.

Plan Allowance The co-payments listed in Section 5 and the \$10 office visit copay are the only payments you make to the dentist for covered services. There are no calculations based on plan allowances that will result in any additional costs to you.

In-Progress Treatment In-progress treatment for incoming TRDP enrollees will be covered for the 2019 plan year; regardless of any current plan exclusion for care initiated prior to the enrollee's effective date.

This requirement includes assumption of payments for covered orthodontia services up to the FEDVIP policy limits, and full payment where applicable up to the terms of FEDVIP policy for covered services completed (but not initiated) in the 2019 plan year such as crowns and implants.

This is not a requirement for carriers to provide in-progress coverage for orthodontia in a plan where an enrollee must meet a waiting period.

FEDVIP carriers will not cover in-progress treatment if you enroll in a FEDVIP plan that has a waiting period, or does not cover the service. Several FEDVIP dental plans have options that offer orthodontia coverage without a 12-month waiting period, and without age limits.

Section 5 Dental Services and Supplies Class A Basic

Important things you should keep in mind about these benefits:

- All oral evaluations will be considered integral when provided on the same date of service by the same dentist.
- There is no calendar year deductible.
- There is no waiting period for basic services.
- There is no annual benefit maximum.
- **See Section 7 of this brochure for plan limitations.**

You Pay:

- **In-Network:** The co-pay amount shown in the Benefit Schedule along with a \$10 office visit copay (please note that the office visit copay is charged per office visit, not per procedure).
- **Out-of-Network: In full for all charges.** There are no out-of-network benefits available except for emergency services when the services of an assigned in-network provider are not available.

Section 6 International Services and Supplies

International Claims Payment

This plan provides a benefit for emergency services when overseas. Emergency services are defined as treatment due to injury, accident or severe pain requiring the services of a dentist which occurs under circumstances where it is neither medically or physically possible for you to be treated by an in-network assigned plan provider. We will reimburse you for emergency services up to \$100 per member per year.

Finding an International Provider

This plan provides a benefit for international emergency services when services are received from a licensed dentist. The Dominion Dental Services Network does not extend outside of the United States. You have the right to choose any licensed dental practitioner; you do not need to contact Dominion first.

Note: Because international claims do not have the consideration of stateside cost containment, members must be cautious to guard against inappropriate/excessive services.

Filing International Claims

The following should be provided when submitting a claim for International emergency services:

- Name of country where services were received
- American Dental Association procedure codes
- Translation of language to English
- Translation into US currency or accurate day rate
- Tooth number(s) and/or quadrants
- Date(s) of service
- Dentist name

Customer Service Website and Phone Numbers

Our plan website is FederalDentalPlans.com. You may also contact us by phone at 855-836-6337.

Stop Health Care Fraud!

Fraud increases the cost of health care for everyone and increases your Federal Employees Dental and Vision Insurance Program premium.

Protect Yourself From Fraud – Here are some things that you can do to prevent fraud:

- Do not give your plan identification (ID) number over the telephone or to people you do not know, except to your providers, plan, BENEFEDS, or OPM.
- Let only the appropriate providers review your clinical record or recommend services.
- Avoid using providers who say that an item or service is not usually covered, but they know how to bill us to get it paid.
- Carefully review your explanation of benefits (EOBs) statements.
- Do not ask your provider to make false entries on certificates, bills or records in order to get us to pay for an item or service.
- If you suspect that a provider has charged you for services you did not receive, billed you twice for the same service, or misrepresented any information, do the following:
 - Call the provider and ask for an explanation. There may be an error.
 - If the provider does not resolve the matter, call us at 855-836-6337 and explain the situation.
- Do not maintain as a family member on your policy:
 - Your former spouse after a divorce decree or annulment is final (even if a court order stipulates otherwise); or
 - Your child over age 22 (unless he/she is disabled and incapable of self- support).

If you have any questions about the eligibility of a dependent, please contact BENEFEDS.

Be sure to review Section 1, Eligibility, of this brochure prior to submitting your enrollment or obtaining benefits.

Fraud or intentional misrepresentation of material fact is prohibited under the plan. You can be prosecuted for fraud and your agency may take action against you if you falsify a claim to obtain FEDVIP benefits or try to obtain services for someone who is not an eligible family member or who is no longer enrolled in the plan, or enroll in the plan when you are no longer eligible.
