

**Plan Highlights**

- Prevention Reward: Each family member enrolled with Dominion who receives cleanings during the plan year will be reimbursed for their \$10 office visit copayments made to the dentist at the time of service (up to two cleanings per plan year – a total reimbursement of up to \$20). Dominion will submit a check for the reimbursement(s) to the primary subscriber at the end of the plan year.
- This plan has fixed copayments.
- There are no annual maximum dollar limits, no waiting periods and no deductibles.
- There is no out-of-network coverage (with the exception of out-of-area emergency dental services).

**\* Invisalign - 15% discount from participating dentist's UCR fee.**

Current Dental Terminology © American Dental Association. Only current ADA CDT codes are considered valid by Dominion. For a full description of each code, please consult the ADA's CDT guidelines.

<sup>1</sup> Specialty care is provided at the listed copayment whether performed by a Participating General Dentist or a Participating Specialist.

**Plan Exclusions**

- Services which are covered under Medicare, worker's compensation or employer's liability laws.
- Services which are not necessary for the patient's dental health as determined by the Plan.
- Cosmetic, elective or aesthetic dentistry except as required due to accidental bodily injury to sound natural teeth as determined by the Plan.
- Oral surgery requiring the setting of fractures or dislocations.
- Services with respect to malignancies, cysts or neoplasms, hereditary, congenital, anodontic, mandibular prognathism or development malformations where, in the opinion of the Plan, such services should not be performed in a dental office.
- Dispensing of drugs.
- Hospitalization for any dental procedure.
- Treatment required for conditions resulting from major disaster, epidemic, war, acts of war, whether declared or undeclared.
- Replacement due to loss or theft of prosthetic appliance.
- Procedures not listed as covered benefits under this Plan.
- Services related to the treatment of TMD (Temporomandibular Disorder).
- Elective surgery including, but not limited to, extraction of non-pathologic, asymptomatic impacted teeth.
- Plaque control programs, oral hygiene instruction, and dietary instructions.
- Nitrous oxide and oral sedation.

**Plan Limitations**

- Two (2) evaluations are covered per calendar year including a maximum of one (1) comprehensive evaluation. All oral evaluations will be considered integral when provided on the same date of service by the same dentist.
- One (1) problem focused exam is covered per calendar year, per patient.
- Two (2) teeth cleanings (prophylaxis) are covered per calendar year, per patient (one (1) additional cleaning is covered for all members at the listed copayment. Periodontal scaling in the presence of gingival inflammation is considered to be a routine prophylaxis and paid as such.
- Two (2) topical fluorides or fluoride varnishes are covered per calendar year, per patient.
- Two (2) bitewing x-rays are covered per calendar year, per patient.
- One (1) set of full mouth x-rays or panoramic film is covered every three (3) years, per patient.
- One (1) sealant or caries preventive medicament application per tooth is covered per 36 months, up to age 18 (limited to permanent 1st and 2nd molars). Sealants with a restoration on same date of service are considered integral.
- Replacement of a filling is covered if it is more than two (2) years from the date of original placement.
- Replacement of a bridge, crown or denture is covered if it is more than five (5) years from the date of original placement.
- Crown, implant and bridge fees apply to treatment involving five (5) or fewer units when presented in a single treatment plan. Additional crown, implant or bridge units, beginning with the sixth unit, are available at the provider's Usual, Customary, and Reasonable (UCR) fee, minus 25%.
- One (1) relining and rebasing of dentures is covered every 36 months, per patient.
- Retreatment of root canal is covered if it is more than two (2) years from the original treatment.
- Pulpotomies are considered integral when performed by the same dentist within a 45-day period prior to the completion of root canal therapy.
- One (1) root planing or scaling is covered every 24 months per quadrant, per patient. Periodontal scaling and root planing provided within 24 months of periodontal scaling and root planing, or periodontal surgical procedures, in the same area of the mouth is not covered.
- Scaling in presence of generalized moderate or severe gingival inflammation - full mouth, after oral evaluation and in lieu of a covered D1110/D1120, limited to once per two years.
- One (1) full mouth debridement is covered per lifetime, per patient.
- Procedure Code D4381 is limited to one (1) benefit per tooth for three (3) teeth per quadrant or a total of 12 teeth for all four (4) quadrants per twelve (12) months. Must have pocket depths of five (5) millimeters or greater.
- One (1) periodontal surgery of any type, including any associated material, is covered every 36 months per quadrant or surgical site.
- Periodontal maintenance after active therapy is covered two (2) times per calendar year, within 24 months after definitive periodontal therapy.
- Stainless steel crowns (D2930, D2931) are covered through age 14, or when placed as a result of accidental injury and one per tooth, per lifetime.
- Onlays, crowns, and posts and cores for members 12 years of age or younger are excluded from coverage, unless pre-approved by Plan. Cast posts and cores (D2952) are processed as an alternate benefit of a prefabricated post and core. Posts are eligible only when provided as part of a crown buildup or implant and are considered integral to the buildup or implant.
- Fixed partial dentures, buildups and posts and cores for members under 16 years of age are not covered unless approved by Plan.
- Surgical periodontal procedures or scaling and root planing in the same area of the mouth within 24 months of a gingival flap procedure are not covered.
- Osseous surgery is not covered when provided within 24 months of osseous surgery in the same area of the mouth.
- Surgical revision procedure (D4268) is considered integral to all other periodontal procedures.
- One (1) scaling and debridement in the presence of inflammation or mucositis of a single implant, including cleaning of the implant surfaces, without flap entry and closure, per two (2) years.
- Removal of impacted third molars in patients under age 15 and over age 30 is not covered unless approved by the Plan.
- Deep sedation/general anesthesia and intravenous conscious sedation are covered (by report) only when provided in connection with a covered procedure(s) when determined to be medically or dentally necessary for documented handicapped or uncontrollable patients or justifiable medical or dental conditions.
- Occlusal guards are covered by report for patients 13 years of age or older when the purpose of the occlusal guard is for the treatment of bruxism or diagnoses other than temporomandibular joint dysfunction (TMJD). Occlusal guards are limited to one (1) per 12 consecutive month period.
- Athletic mouth guards are limited to one (1) per 12 consecutive month period.
- The Invisalign system is a discounted benefit that applies to D8070, D8080 and D8090. Additional costs incurred will become the patient's responsibility.
- Teledentistry, synchronous (D9995) or asynchronous (D9996), must be accompanied by a covered procedure.
